## 2012 Registration Information

If your child did not participate in our program last year, and you are a new applicant, we welcome you! All 5-year-olds (Birthdate before 4/30/12) joining our program are required to have played at least one year of T-ball OR to have attended our Skills Assessment being held on Sunday, March 4 at the J.M. McDonald Sports Complex before they are eligible to play on a regular season team.

Little League requires that an ORIGINAL (or certified copy) of the player's Birth Certificate be presented to a League Official (Board Member) each and every year. This must be done prior to the first practice for age verification. If you are registering in person please be sure to bring this with you. If you are registering by mail, you will need to make arrangements to present this documentation prior to your child's first practice.

A fee of **\$65.00** should accompany the enclosed application for one player, or **\$60.00 per player** if more than one dependent is playing. This fee is used to offset the costs for insurance, uniforms, baseballs, umpires, game equipment, and other operating expenses to make this a successful and fun-filled season for your child.

### Supplying Proof of Residency
